

CHRISTIAN MIGUEZ

FULLSTACK WEB DEVELOPER

Montevideo, Uruguay +59892646464 kisquian@gmail.com
linkedin.com/in/christianmiguez github.com/christianMiguez

Experienced in both frontend and backend development, with a strong focus on delivering high-quality web solutions. Proficient in HTML, CSS, JavaScript/TypeScript, Docker, Git, PHP, and frameworks like React, Next.js, and Node.js. I excel in team environments and enjoy helping others reach their goals. As a self-taught professional, I continuously stay updated on the latest technologies to ensure I use the best tools for each project.
